

CONSTRUCTION SERVICES

Mike Londergan
Manager of Construction Services

Whether you're an architect, engineer, construction company owner or contractor who requires fasteners or industrial supplies, our Mike Londergan can help with:

- Design and technical problem-solving
- Project specifying
- ASTM to AASTHO conversions
- Fabricated parts and specials to print

As manager of our construction services division, Mike has over 30 years of distribution experience in industrial pipes, valves and fittings, and commercial and construction fasteners.

He understands industries like:

- Electrical
- Plumbing
- HVAC
- Concrete
- Woodworking
- Heavy highway
- Structural steel
- Miscellaneous metals
- Glazing
- Pre-engineered metal buildings
- Drywall
- Curtainwall
- Precast
- Engineering
- Architecture

He can save you time with VMI

Using our custom barcode-based system, Mike will manage your inventory so your staff can tackle more important jobs. You avoid delays and the risk of running out.

Contact Mike today at 860-729-5711

He's available 24-7/365 – nights, weekends and holidays.
Or email him at mlondergan@atlanticfasteners.com.

If you can't reach him, ask for Tony Orvis: Mon–Fri 7 am to 4 pm at 413-241-2209.
